Service

We have been called to service. After you become saved, and you learn who you are in Christ, the next step in the spiritual growth process is service. In Romans 12:1-2, Paul compels us to present ourselves a living sacrifice, that this is our reasonable service. God has been merciful to us; He loved us enough to save us from our sin, this is our way to show thankfulness and worship to Him. Service is worship. He has given us grace and grace gifts to use in service to minister to the body of Christ, some are listed in Romans 12:4-8. The 10 commandments teach us to love God and one another. Serving one another is how we live out the love that is the end goal of the law, as it says in Romans 13:8. We all want to hear these words from our Lord at the judgment seat "Well done good and faithful servant."
