

The Intergalactic Space Evangelist
Part 4 Blind Man's Bluff

P1 Remember that last time our hero's were in desperate trouble. A MegaMeteorBlast was heading right for them. Jewels, at the command of Commander "M", had engaged the SOF or Shield Of Faith. SemaJ ejected from the ship just before the MegaMeteorBlast slammed into **FALCON 1**. We pick up now from last weeks story.

P2 OK said M. Do you have the shield of faith turned on? Checking said SemaJ. Yes the SOF is on he reported. Then you have nothing to fear from the IDD MegaMeteorBlast. Just as soon as it hits your SOF it will destroy itself. 20 seconds said Jake. But you must stay on course Jewels that is why the controls are locked. They are not jammed. Remember Falcon 1 is powered by the Word Of God and so it will head straight for the evil and destroy it but you will be safe. You must trust the WORD.

P3 10 seconds said Jake. Are you sure M? Said Jewels. Yes said M do NOT avoid the MegaMeteorBlast. This is crazy said SemaJ. I am getting out of here! SemaJ hit his auto ejection DEMAS switch just as Falcon 1 slammed into the IDD MegaMeteorBlast!

P4 There was a huge flash of white blinding light. **FALCON 1** began to shimmy and shake. Jake reached down and tightened his seat belt. Jewels' helmet shook off her head but she held tightly to the controls. Keep it on course, Commander "M" said from the radio. I'm trying replied Jewels.

P5 Where is SemaJ? Asked Jewels. Can you see him? All at once the scene cleared and the MegaMeteorBlast was gone. The Shield Of Faith held! Shouted Jake. Great! Said Commander "M". Where did SemaJ get to? Tracking him now, one minute, there he is! Said Jake. 4 points off the starboard bow. Said Jewels. Let's go get him. Said Jake.

P6 Help! Cried SemaJ. I am floating away. You should have listened to Commander "M". Said Jewels. We did not take any damage at all using the Shield Of Faith. I just got scared that's all, said SemaJ. We were all scared, said Commander "M", but sometimes you just need to trust in God and his word.

P7 All at once alarms began to go off again in **FALCON 1**. Beep, beep, beep.

Whine, whine, whine. Whine, beep, whine, beep. What is that, asked Jake. Enemy ship coming in from behind us, said Jewels. What else is going to happen today, asked Jake.

P8 From behind the Disciples of the Devil (IDD) they are not coming towards Jake. Help! Said SemaJ.

FALCON 1 a light flashed and an Intergalactic ship appeared. Shields UP! Said Jewels. Hey, us said Jewels. What are they up to? Asked

P9 A bright green light on SemaJ. He sparkled has been transported as it came, the IDD ship

came from the IDD ship and landed for a second and then vanished! He onto that IDD ship, said Jake. And just as soon was gone, and SemaJ with it.

P10 A creepy voice came over the radio of **FALCON 1**. We may not have destroyed your ship but now we have one of you! The voice said. And you will never see him again ahahahahahahaah.

P11 What will our friends do now? What will happen to the hapless SemaJ? Tune in next week for more adventures of the Intergalactic Space Evangelist!

2 Th 1:8 (One day Jesus is coming back) In flaming fire taking vengeance on them that **know not God,** and that **obey not** the gospel of our Lord Jesus Christ:

1. Why should children obey their parents in Eph. 6:1.
2. According to Col.3:20 why should children obey their parents?
3. One day the Lord is going to take vengeance on who?
4. **THINK** There are 2 kinds of people on the earth, the obey's and the _____.

C. Yourself
8. **THINK** How can you be a "trouble maker" for your friends?
9. **THINK** How can you be a "trouble breaker" for your friends?
10. **Tell** how you were a **"trouble breaker"** this week.
