## The Intergalactic Space Evangelist Part 1 Blind Man's Bluff

P1 Jake and Kathleen were sitting by their pool listening to "talk radio" when a news bulletin came on... "The planet "De L'aveugle" in the obscurité sector has gone off line... there has been no contact from De L'aveugle in the last two weeks. All attempts at contact have failed....." Jake looked at Kathleen just as their *I.S.E.* beepers went off. Time to run I guess, said Kathleen.

P2 Later on that same day at the Intergalactic Space Evangelist Headquarters a meeting was taking place. We have received word that the planet De L'aveugle has come under attack from the **IDD!** The **IDD!** The room shouted. Yes the **IDD** the Intergalactic Disciples of the Devil have taken control of De L'aveugle!

P3 It was the *I.S.E.* commander who was known to most simply as "**M**" who was speaking. Though she was only a little girl of few years she had been fully trained in spiritual warfare by the "**Bereans**" on planet Earth. This was not a new battle for her she knew full well the power of the enemy as well as their evil tactics.

P4 The **IDD** I believe, she continued, have struck the people of the planet De L'aveugle with blindness. This is the reason they have not been able to contact the outside world said Craigers, one of the masterminds in the group. By blinding the people there they cannot do anything to save themselves. That's right Craigers, said "**M**". Well they must be stopped shouted the rest of the room! And stop them we will said "**M**" for the Intergalactic Space Evangelist Book of Books clearly says... **Rom 16:20 And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen.**" With God on our side we cannot fail, said Paulie. But we must have a plan said **KEL**. **KEL** was the newest member of the *I.S.E.* task force and was eager to show her new found faith and courage.

P5 The first thing we need to do is to send in a team to find out exactly what is going on there, said **JR**, which is short for Jamie the Right. Right, Right I mean Right JR, said "**M**". We need three team members to fly there and find out what is going on.

P6 Who will volunteer to go? Asked "**M**". Every hand in the room went up! No one wanted to be left out of this one. This will be a hard choice for **M** to make, said Matty. We will need our best decoder and that is Jake, said **M**. Jake let out a war whoop. Whaooooo! And we will need a good analyst too, said M. Where is Jewels? Here I am said Jewels. Good said **M** the twins will go and take SemaJ with them so he can get some training.

P7 SemaJ was not to happy about this at all. He was not a team player. He wanted all the attention and was known as a trouble maker not a trouble breaker and Jake said so. I don't think he should go M he is so self centered and foolish he could endanger the whole mission. You are absolutely right said Craigers but that is just the reason he should go. With you and Jewels setting the standard for him and being a good example he just may become a good ***I.S.E.*** member.

P8 No one asked me if I wanted to go, said SemaJ. Did you not have your hand up asked M? Yes I did but still no one asked me if I wanted to go. M gave him her classic Ephesians 4:32 look and SemaJ backed away saying OK... OK.... I'll go.

P9 Great! Then you three will travel by FALCON (which stands for Fast As Light Craft Offworld Negotiator) to De L'aveugle and find out what is going on, said M.

P10 As Jake, Jewels, and SemaJ headed for the FALCON hanger M directed the rest to get prepared for some spiritual warfare
