Taking the battle for the souls of men to the principalities and powers, to the rulers of the world, spiritual and powers, to the darkness of this world, standing against wickedness in high places

We do not like to think
About it much but we need to
Remember that people who
Are not saved go to the
Lake of fire.
Let's do our part to
Get them saved!

**The Intergalactic Space Evangelist
Part 10 Blind Man's Bluff**

P1 Get out! Get out of there! Shouted Jewels to the 2 teams. But it was too late! Remember last time team one beamed over to the satellite and team two down to the TV (truth violator) station.

P2 When they got there both areas were in total darkness. You could not see your hand in front of your face. Back on Falcon 1 Jewels and KEL could see on the scanner the 4 green dots that represented the two teams. And they could also see a whole lot of red dots. Red dots mean the (eerie music here) IDD!

P3 Quick Jewels, said KEL, beam me over to the satellite and I will help SemaJ and Jake while you beam team two back to Falcon. We must take control of that satellite!

P4 Jewels nimble fingers flew over the controls of the RTD and sent KEL in a blaze of light to help Jake & SemaJ. Hold on guys, she said as she tried to lock on to team two.

P5 Signal is being jammed at the source, I cannot get a lock on team two! Shouted Jewels to no one. "M" we need some help up here. But the radio was silent too. In fact nothing seemed to be working now.

P6 Team two was in big trouble. They were almost completely surrounded by glaring red eyes. Eyes that belonged to the IDD. They were so close they could almost hear them breathing! What are we going to do now? Asked Matty. I will try to think of something, said JR. Well, don't think to long. Here they come!

P7 Matty and JR jumped up from their hiding place and ran towards the IDD. Activate AOTL! Shouted JR as he drew his Sword. Copy that, activating the Armor Of The Lord. Instantly our brave friends were covered from head to toe in gleaming bright armor.

P8 Matty drew his Sword and he and JR began to do battle against the IDD. Back you servants of EVIL! They shouted as the team rushed the enemy.

P8 Meanwhile back on the satellite. KEL, what are you doing here? Asked SemaJ. You guys are surrounded by the IDD and I came to help. We must take control of this satellite. Activating AOTL! They said with one voice. KEL, SemaJ and Jake drew their Swords and stood with their backs to each other forming a circle. As KEL looked around she notice something.

P9 Jake, do you see that big bundle of wires and cables? Yes, said Jake. Follow them and see where they go. I believe they must lead to the control room of this satellite.

P10 Just then the IDD charged our hero's. Screaming and shouting they came. They had long nasty looking weapons that fired red hot fiery darts. SemaJ took three hits to the head before he could get his shield up. SemaJ is down! Shouted KEL!

P11 The IDD gave a great shout of victory and came again at our friends. Jake and KEL stood their ground and were knocking IDD down left and right but they could not do it

forever! **HOLD ON GUYS!** Shouted Jewels over the intercom system in their armor. I have an **IDEA!**

P12 What is Jewel's idea? Will it work? Will it work in time? And if it does not work what will happen to our hero's? Find out next time in the (dun.. Dun... dunnnn) Intergalactic Space Evangelist!
